

NASASP Associate Membership

Did you know that municipalities, schools and other non-profit organizations receive **millions of dollars worth of heavy equipment, computers, office furniture, office equipment and vehicles** through the Federal Surplus Property Program each year? Help us ensure the growth of this valuable program through your support of NASASP.

The National Association of State Agencies for Surplus Property (NASASP) is comprised of representative agencies from each state and US possession. NASASP works to improve the distribution of federal property and to increase communication between its member states and the legislature. Now you are invited to help us share in these goals.

As an **Associate Member** of NASASP, you can become an active participant in the continued growth of the Federal Surplus Property Program. **Associate Members** are typically organizations that receive surplus property, saving tax dollars for the citizens they support.

There are a number of benefits in joining the **Associate Membership Program**. For a simple annual fee of \$39.00, payable to NASASP, you will receive:

- Certificate of membership and Lapel Pin denoting membership
- Quarterly NASASP newsletter with emergency notification of any critical legislation
- Invitation to attend, as a nonvoting guest, the annual meetings of NASASP.

Your \$39.00 membership fee supports the efforts of NASASP to increase the **quality and quantity** of surplus property available to you, and to open the program to other non-profit organizations that were previously not eligible to receive surplus property.

Your support through Associate Membership will make a difference. Please complete the coupon below and return it to our offices to join now.
